

Important Notice to Plan Participants Concerning Your Rights Under the DACRA-MSI LLC 401(k) Plan *January 5, 2024*

The DACRA-MSI LLC 401(k) Plan (“the Plan”) is making changes to your retirement plan in February 2024. What do these changes mean to you?

- **New Participant Advisor, Discretionary Trustee & Investment Manager: Busey Wealth Management**
 - Get investment advice, help with retirement planning and more
 - A new menu of investment options will become available
- **New provider for account access: EPIC Retirement Plan Services (EPIC)**
 - New website for account access, including a free mobile app, a helpline and more
- New statement format beginning with 1st quarter 2024 statements
 - Use both statements to compare amount transferred from John Hancock to EPIC
- Your 401(k) account will be temporarily restricted from **February 14, 2024, until March 15, 2024**. This timeframe is otherwise known as a “blackout period” and allows the Plan assets to transfer to EPIC’s recordkeeping system and allows them to carefully review and reconcile accounts. EPIC’s goal is to bring you out of the blackout period as soon as administratively possible.
- Between **January 5th – February 19th**, on EPIC’s Go Retire site, you will be able to choose your new investment options, establish your designated beneficiary’s information and potentially change your authorized contribution amount that will apply toward future payrolls processed.
- If you do not choose investment options by **February 19, 2024**, your account balance will be invested in the Qualified Default Investment Alternative (see enclosed QDIA Notice).

How Will the Blackout Period Affect Me?

From February 14, 2024, until the blackout period ends on, or before, March 15, 2024, you will be unable to:

- Change your contribution rate / amount
- Change your existing or future investments
- Take a distribution or roll your balance over

Whether or not you are planning retirement in the near future, we encourage you to carefully consider how this blackout period may affect your retirement planning as well as your overall financial well being. For your long-term retirement security, you should give careful consideration to the importance of a well-balanced and diversified investment portfolio, taking into account all of your assets, income and investments.

What Happens to My Contributions & Investments?

Your current contribution rate will remain the same throughout this transitional period unless you make a change on the new site before **February 19, 2024**. You will need to choose investments and add beneficiaries by **February 19, 2024**. If you do not choose investment options by **February 19, 2024**, you will be invested in the Qualified Default Investment Alternative (see enclosed QDIA Notice). For a comprehensive list of available investment options, please see the enclosed fee disclosure (Investment & Fee Notice). See “What Should I Do Next?” for how to access your account and make changes.

What Should I Do Next?

Access and set up your account between **January 5th – February 19th**. You'll be prompted to enter a contribution rate (leave this blank if you do not want to change your current rate, or update it if you want to by making an entry), choose your investments and add your beneficiaries. Getting started is easy! Download the app or visit the URL below.

-  mobile app in the App Store or Google Play
- <https://go-retire.com/Busey>

Note: EPIC's Go Retire website and app require a new Username and Password.

- *Initial Username:* your Social Security Number (no dashes)
- *Initial Password:* your birth date (MMDDYYYY)

The system will require you to create a new Username and Password for all subsequent logins. For the highest online security, we recommend you establish two factor authentication when prompted during the online setup. For login assistance, call **EPIC at 800.716.3742** weekdays between 7am-7pm CT.

DACRA-MSI LLC 401(k) Plan
Investment and Fee Notice

This document contains important information concerning our retirement plan. The first section provides you with information about the plan in general, including any expenses you might incur through participation in the plan or through taking advantage of different plan features. The second section provides information about the plan's investment alternatives, including any fees or expenses associated with those investments.

If you have any questions concerning any of this information, contact your Plan Administrator: DACRA Tech, LLC, 450 Devon Avenue, Suite 100, Itasca, IL 60143.

Other Plan Information

The Plan is intended to be an ERISA Section 404(c) plan. This simply means that you "exercise control" over some or all of the investments in your Plan account. The fiduciaries of the Plan may be relieved of liability, or responsibility, for any losses that you may experience as a direct result of your investment decisions.

As a Plan participant, you may request certain information from your Plan Representative listed above. This information includes: annual operating expenses of the Plan investments; copies of prospectuses, financial statements, reports, or other materials relating to Plan investments provided to the Plan; a list of assets contained in each Plan investment portfolio; the value of those assets and fund units or shares; and the past and current performance of each Plan investment.

You give investment directions for some or all your Plan account, selecting from investment choices provided under the Plan, as determined by DACRA-MSI LLC and/or the Plan's Investment Manager. You can change your investments at any time.

In our plan, unless the Plan Administrator and/or Plan Trustee has delegated this responsibility to another person or entity, the Plan Administrator and/or the Plan Trustee has the responsibility for the voting and the tendering of mutual fund shares relating to the assets held by the trust.

Plan Related Expenses

Retirement plans have different types of expenses.

Administration expenses - These are charges for general plan administrative services to the Plan that may include, but are not limited to, legal, accounting, custodial, trustee, investment advisory, participant education and recordkeeping expenses. In the Plan, these expenses may be paid partly by the Plan Sponsor and partly by participants. If applicable, a participant's explicit share of these expenses may be allocated on either a pro rata or a per capita basis. If applied pro-rata, your share of these expenses is based on the value of your account balance over the total assets in the Plan. If applied per-capita, your share of expenses is determined by dividing the total expense by the number of participants in the Plan. Deducted fees, if any, are displayed as a dollar amount on your quarterly statements.

The plan may benefit from revenue sharing. If it does, it is either credited back to the accounts of the participants that generated it or used to reduce expenses that could otherwise be deducted from participant accounts.

Recordkeeping/Administration Fees
Annual fee to the plan is:

Annual Asset Based Fee 0.1400%,

Asset Based Advisor Fee (Scheduled):

Discretionary Trustee and Investment Management Fee - 60 bps		
Tier	Assets Under Management	Rate
1	All Assets	0.6000%

Individual Expenses - These are expenses you may incur if you take advantage of certain Plan features.

- A \$75.00 lump sum distribution fee.
- A \$75.00 in-service distribution fee.
- A \$75.00 required minimum distribution fee.
- A \$150.00 loan setup fee for each new loan.
- A \$350.00 Qualified Domestic Relations Order (QDRO) processing fee.

General Disclosures

Good Faith Compliance-The Plan's Recordkeeper and the Plan Administrator have acted in good faith in complying with the participant disclosure requirements as set forth under ERISA § 404(a)(5) and U.S. Department of Labor (DOL) Field Assistance Bulletin (FAB) 2012-2. The information contained within this disclosure reflects good faith compliance efforts based on guidance issued by the DOL at the time this document was prepared. Despite our best efforts, it is possible the information contained within this document does not include all of the information required under the regulations and DOL FAB 2012-2. If necessary, the Plan's Recordkeeper and the Plan Administrator will incorporate any additional information in a future disclosure. See DOL FAB 2012-2 (Q&A-37) at www.dol.gov/ebsa.

Right to Receive Paper Copies of Your Quarterly Participant Statement Free of Charge-Your quarterly participant statements are available electronically via the participant web. However, you have the right to request a paper copy of your quarterly statement free of charge at any time by contacting your Plan Administrator or Participant Service Center.

Overpayment of Benefits - If benefit payments are made to any person in excess of the amount due and payable under the Plan for any reason (including without limitation, mistake of fact or law, reliance on any false or fraudulent statements, information or proof submitted by a claimant, or the continuation of payments after the death of a participant or beneficiary), the Plan Administrator (or their delegate) may take the steps it deems appropriate to recover the amount of the overpayment.

Investment and Fee Notice

The table depicts the performance of the plan's designated investment alternatives over different time periods and allows you to compare them to an appropriate benchmark for the same time periods. While you cannot invest in a benchmark, the performance of the benchmark will give you an idea of how well the investment did in the same time period.

In addition to providing investment information, the table below shows fee and expense information for the plan's designated investment alternatives. Total Annual Operating Expenses are expenses that reduce the rate of return of the investment option.

Some investment options available in the plan may apply trading restrictions or shareholder type fees. The table below provides information on these restrictions and shareholder type fees.

Please note, past performance does not guarantee how the investment option will perform in the future. Your investment in these options could lose money.

* Although restrictions may apply at the fund level, they may be waived for retirement plans under certain circumstances. Refer to your fund’s prospectus for more information.

The cumulative effect of fees and expenses can substantially reduce the growth of your retirement savings. Visit the Department of Labor’s Web site for an example showing the long-term effect of fees and expenses at http://www.dol.gov/ebsa/publications/401k_employee.html. Fees and expenses are only one of many factors to consider when you decide to invest in an option. You may also want to think about whether an investment in a particular option, along with your other investments, will help you achieve your financial goals.

Please visit <http://www.investmentterms.com> for a glossary of investment terms relevant to the investment options available under this plan. This glossary is intended to help you better understand your options.

Please visit <https://rec-files.epicrps.com/funds/> for additional information about each of the designated investment alternative. Please contact the Participant Service Center should you have any issue with accessing the information or if you would like a free printed copy of the investment information.

Schwab Bank Savings

Name	Interest Rate	Yield	As of
Schwab Bank SAVINGS	1.98%	2.00%	09/30/2023

The Annual Percentage Yield (APY) shown is effective as of the date shown above, unless otherwise noted. Rate is subject to change without notice.

Schwab Bank Savings ("SBS") is a money market deposit account ("MMDA") established by your Plan at Charles Schwab Bank ("Schwab Bank"). The portion of your Plan account that you allocate to SBS is eligible for Federal Deposit Insurance Corporation ("FDIC") insurance up to \$250,000 subject to the FDIC rules concerning aggregation of deposit accounts you hold in the same capacity with Schwab Bank. You are responsible for monitoring the total amount of deposits you maintain directly with Schwab Bank in an individual retirement account or self-directed employee benefit plan account. Because the deposit insurance rules are complex, you may want to contact the FDIC's online tool, Electronic Deposit Estimator (<https://fdic.gov/edie/>), to estimate your total coverage. (0515-2591)

Schwab Bank Savings ("SBS") is a capital preservation option that is not subject to market risk and bears a stated interest rate set on a monthly basis, which remains in effect at least until the last Business Day of the month. Schwab Bank may adjust the rate prospectively on the day following the last Business Day of the month. A "Business Day" is any Monday through Friday that is not a Federal Reserve Bank or New York Stock Exchange holiday.

Interest compounds daily and is credited monthly on the last Business Day of each month. The annual percentage yield ("APY") is the percentage that reflects the total amount of interest paid on an account, based on the annual percentage rate ("APR") and compounding frequency for a 365-day period. Current rate and yield information may be obtained by logging into your participant account. There are no operating expenses, shareholder-type fees, or restrictions applied to your holdings in Schwab Bank Savings. (0515-2591)
